

## **STATEMENT OF PURPOSE**

### **RS19717**

The purpose of this legislation is to amend Idaho Code 59-1302 to exempt any person not under contract with a school district or charter school, who on a day-to-day basis works as a substitute teacher replacing a contracted school teacher and is paid a substitute wage as established by district policy from the definition of 'employee' under the Public Employees Retirement System section of Idaho Code. It would also exempt any person who, on a day-to-day basis works as a substitute assistant replacing a staff instruction assistant or a staff library assistant and is paid a substitute wage as established by district policy from the definition of 'employee' under the Public Employees Retirement System section of Idaho Code.

### **FISCAL NOTE**

There is no fiscal impact on the general fund and it would be a cost savings to school districts.
